PROFESSIONAL SUMMARY

Computer Science student with hands-on experience in frontend development, responsive web design, HTML, CSS, JavaScript, and React.js. Completed a 3-month Frontend Developer internship at P5 Digital Solution, developing responsive web interfaces, reusable React components, and real-world web applications. Experienced with Git/GitHub, UI/UX, cross-device testing, debugging, and website deployment. Strong interest in modern frontend technologies with practical project experience and a willingness to learn and apply new development practices.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6), React.js, TypeScript, Tailwind CSS
Responsive & UI: Responsive Web Design, UI/UX, Cross-Screen Testing, Component-Based Development
Tools: Git, GitHub, Vite, Vercel, VS Code
Libraries: Three.js, React Three Fiber, Drei, Swiper.js, Zustand, mathjs, KaTeX
Testing: Vitest, Debugging, UI Testing
Programming: Python, C, SQL
Core Skills: Problem Solving, Communication, Teamwork, Leadership, Adaptability

EXPERIENCE

P5 Digital Solution *2026*
Frontend Developer Intern

- Developed responsive web interfaces using **HTML5, CSS3, JavaScript, and React.js** following component-based development practices.
- Built the **VR Tiffins Promotional Website** using React.js and Vite, converting project requirements into functional and responsive web interfaces.
- Created reusable React components and implemented responsive navigation, smooth scrolling, image sliders, and mobile-friendly layouts.
- Contributed to the frontend development of a **Content Management System (CMS)** with dashboard and multiple content-management modules.
- Tested interfaces across different screen sizes, identified UI issues, and improved **responsiveness and user experience**.
- Used **Git and GitHub** for version control and **Vercel** for deployment.
- Worked under mentor guidance and applied feedback to improve code organization, UI design, component reusability, and frontend development practices.

PROJECTS

3D Calculus Studio *React 19, TypeScript, Three.js, React Three Fiber, Tailwind CSS*

- Developed an interactive web application for visualizing **3D mathematical surfaces** from user-entered formulas.
- Built responsive interfaces using **React, TypeScript, and Tailwind CSS**, with interactive 3D rendering through Three.js and React Three Fiber.
- Implemented mathematical expression parsing and evaluation using **mathjs** and added interactive calculus analysis features.
- Added controls for zoom, orbit, grid, axes, domain, resolution, auto-rotation, cross-sections, and Riemann-sum visualization.
- Used **Zustand** for state management and **Vitest** for automated formula evaluation and normalization tests.

VR Tiffins Promotional Website *React.js, Vite, JavaScript, CSS, Swiper.js*

- Developed a responsive promotional website using **React.js and Vite**.
- Built reusable components and responsive layouts for navigation, features, subscription plans, screenshots, FAQ, contact, and footer sections.
- Implemented smooth scrolling, responsive navigation, image sliders, and download functionality.
- Tested the website across different screen sizes and deployed it using **Vercel**.

Vegella Business Website *HTML, CSS, JavaScript*

- Developed a responsive business website using **HTML, CSS, and JavaScript**.
- Implemented interactive navigation, scroll animations, DOM manipulation, and UI enhancements.
- Applied responsive design and UI/UX principles to improve the user experience.

HACKATHONS & ACHIEVEMENTS

Honey Chain – Blockchain-Based Honey Traceability & Smart Beekeeping Management
Team KAIRO$ — Frontend Developer — React.js, Tailwind CSS

- Contributed to the frontend development of a blockchain-based solution for honey traceability and smart beekeeping management.
- Built responsive interfaces using **React.js and Tailwind CSS**.
- Cleared the **college internal hackathon round** as part of Team KAIRO$.

EDUCATION

Dayalbagh Educational Institute, Agra *2024–2028*
B.Sc. Mathematics and Computer Science
Class Representative

Heritage International School, Palamu, Jharkhand *2022–2024*
Intermediate (PCM)

Bright Land School, Palamu, Jharkhand *2020–2022*
High School

CERTIFICATIONS & WORKSHOPS

Internship Common Aptitude Test (ICAT) – Participation Certificate, 2026
AI Tools & ChatGPT Workshop – be10x, 2026
